

Australian Tipping Systems

ATS SERIES

*LIGHT TRUCK CRANES
WITH HEAVY-DUTY ATTITUDE*

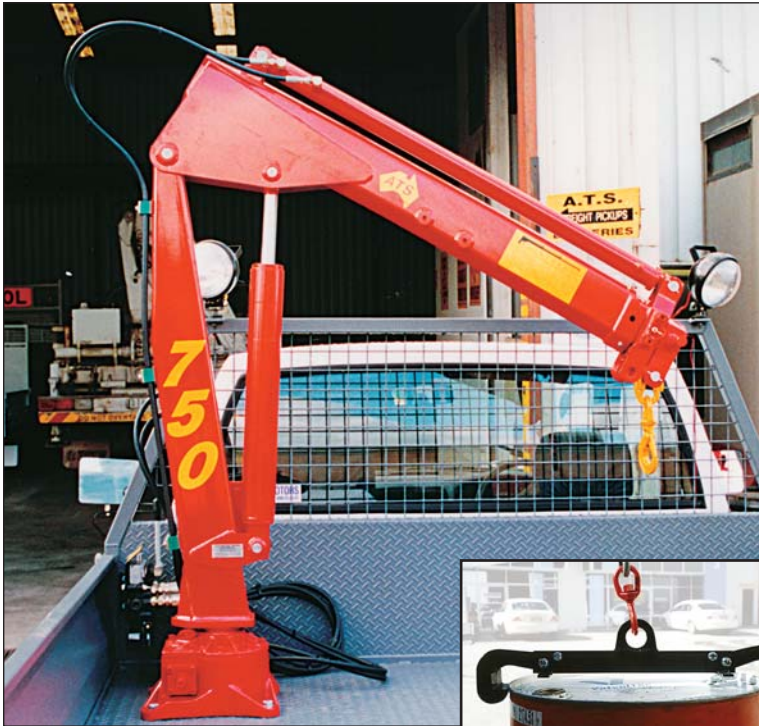

The Dominating Force In Transport Hydraulics

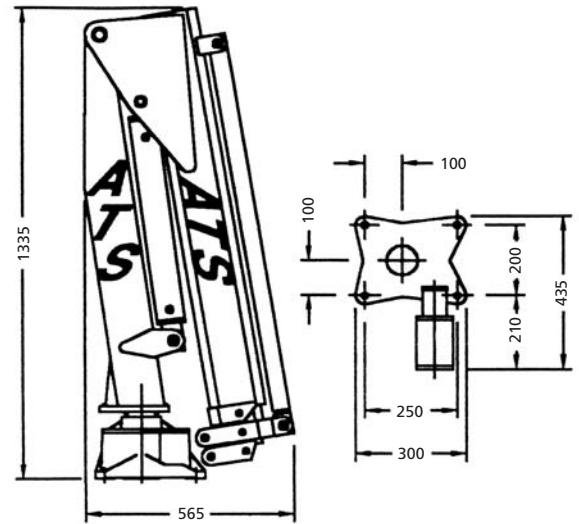

ATS SERIES

LIGHT TRUCK CRANES

Optional 44 gallon drum attachment

TECHNICAL DATA		750 SERIES	1100 SERIES
LIFTING MOMENT	kNm	7.35	9.8
OUTREACH	m	2.00	2.00
OPTIONAL OUTREACH	m	3.00	3.00
SLEWING ANGLE	Deg	400	400
SLEWING TORQUE	kNm	1.5	1.5
FLOW REQUIREMENT	l/min	4	4
WORKING PRESSURE	bar	145	145
CRANE WEIGHT TYPICAL	kg	158	166

Features:

- Meets applicable Australian Standards
- Chromed cylinder rods
- Teflon lined bushes
- High strength hexagonal boom
- Fully sealed, oil filled base
- Fully proportional control valve
- Easily transferred to new vehicle when updating
- Australian designed and manufactured

Options:

Remote control

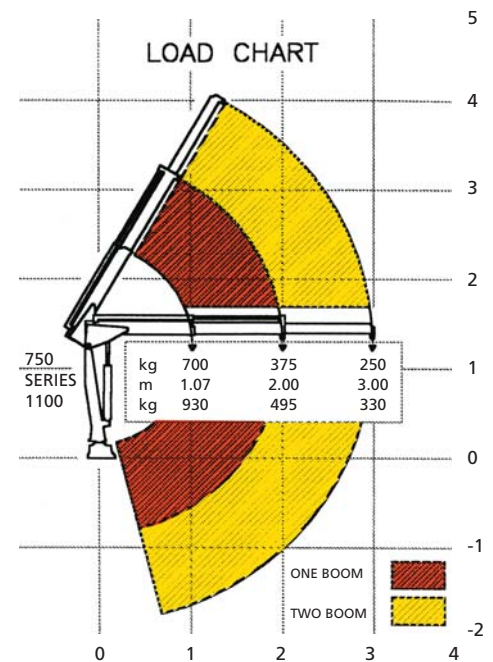

P.T.O. Drive

Winch

Hydraulic Stabiliser
